

Mother's Day at Douthat State Park!

Saturday - May 12, 2007

11:00 AM – Paper Making: Come to the Discovery Center to make a special Mother's Day card for your mother. We will even put some seeds in the pulp so if the card is planted and watered, beautiful flowers will grow.

1:00 PM – Nature's Keepsakes: Here is your chance to craft the perfect Mother's Day gift for your mother. Meet at the Discovery Center to decorate a picture frame with keepsakes from nature and a photograph of you at Douthat that your mother is sure to cherish. \$5

3:00 PM – Stroll in Nature: Join us at the Discovery Center and take a stroll up one of our trails to see what spring wildflowers might be blooming and learn a little about the natural history of Douthat State Park.

7:00 PM – Campfire: Want to get to know your fellow campers a little better and learn some interesting tidbits about Douthat State Park? Come to the amphitheater for S'mores, stories, songs and lots of fun.

Many of Douthat's activities will meet at the Discovery Center. To get there: turn onto the gravel road towards Camp Carson Shelter, continue past the children's fishing area, across the low water bridge and park in the parking area. The Discovery Center is the shelter on the left. For more information, call the park at 540-862-8100 or email douthatinterpreter@dcr.virginia.gov.
